

*We Care Together!*

Sint Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on Sint Maarten. With more than 300 employees, 22 specialists and a capacity of 66 beds. We continuously strive to ensure safe, quality health care. Our primary service area, St. Maarten, Statia and Saba, represents a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition we offer health care services to the visiting tourists, which include annually more than 2 million cruise ship tourists.

SMMC is on the verge of realizing a new hospital building, to expand its services in order to accommodate the increased care demand of the people of St. Maarten, its visitors and neighboring islands. The new hospital is planned to be operational in 2020.
